In order to improve on the state of import and export of cargo in Nigeria, the Skyway Aviation Handling Company Limited, SAHCOL has constructed and opened to the public a new Custom Bonded Cargo Warehouse, with modern warehouse facilities.

The warehouse, situated at the Murtala Mohammed Airport Cargo Complex was inspected and confirmed suitable for cargo import and export storage by the Customs Area Comptroller, Murtala Mohammed Airport, Micheal Adedeji Adewale in the company of the Deputy Comptroller of Customs in Charge of SAHCOL, RONKE Olajumoke Olubiyi, the Chairman of SAHCOL, Dr. Taiwo Afolabi, the Managing Director, SAHCOL, Isaac Orolugbagbe, and other observers from the Customs and SAHCOL.

The new warehouse is made up of Import, Export, Dangerous Goods, Bulk Breaking, and Examination areas, equipped with modern state-of-the-art warehousing facilities to ease safety and storage of cargoes within the warehouse.

The Skyway Aviation Handling Company Limited is a member of the Sifax Group. Since the change of ownership in December, 2009, SAHCOL has ordered for, and taken delivery of modern state-of-the-art Ground Handling equipment, which includes Commanders 15i and 30i, Conveyor Belt Loaders, Toilet and Water Bowsers, Tow Tractors, Ground Power Units, Air starter Units, Air condition Units, Aircraft Pushback, Passenger Steps and Dollies, which have now been deployed for Aircraft Handling Operations.

Meanwhile, SAHCOL has been given the nod to provide ground handling services for the ongoing Hajj operations in Lagos, Kano, Sokoto, Maiduguri, Kano, Kaduna, Yola, Katsina and Ilorin.
